

The White Bicycle monthly report for February and March 2007

Dear All,

Due to some delays in collecting money in February, we have decided to include both February and March in this report.

The total rent income for February and March was 451 dollars, a little low compared to January, but still ok. In addition we earned 300 dollars renting out Kens Projector to World-Hotellink (for more info visit: www.world-hotellink.org), making the total 751 dollars.

We would like to give a special thanks to our World-Hotellink friends who invited both Lonely Planet and BBC World to visit some of our partner hotels (Check BBC World to find out more).

In addition we are glad to inform that we have an agreement for distribution of 240 Bio sand water filters through NEDO and NEDO sponsors in Norway (for more info visit: www.nedo.no). Each filter has a production value of 45dollars and will provide clean drinking water to a minimum of 2500-3000 people in villages in Siem Reap Province.

Interested in World-Hotellink? Contact Ken for more information.

We would also like to welcome 3 new partners:

Rosy Guesthouse
Angkor Paradise
Mandalay Inn

Other information:

Next collection round will be in the first week of June. We will be grateful if you can have rent income for April and May ready by then.

Ken will be in Norway from about 18th of April until 18th of May. During that time, Sarath Vin will be responsible for maintenance, service and any enquiries. A service number to reach him will be available soon.
